

Food Truck Festival - Tent Set up

Materials approved to strap down tent

Polypropylene Twist Rope

1 inch Ratchet Straps

Materials approved to anchor down tent

5 gallon bucket Filled w/ sand

20-30 lb. Sand Bag

20-30 Tent weights

Some (10 x 10) Pop Up tents will be set up. The tents will be removed and taken down on the same day and **MANNED AT ALL TIMES**. Each corner of the tent must be strapped down to a weighted sand bag, bucket, or tent weights.

In the event of high winds, the tents will be taken down.
